

See how we are serving more seniors each year!

*"Asking for help was really hard. It was only because of the grandkids that I made that call. Cynthia (staff member) made me feel so welcome and not embarrassed. She was warm and kind. I volunteer at VO. I believe everyone, no matter their circumstances, deserves to be treated with the same kindness and respect as I was treated."*

*"I couldn't survive without this place."*

*"I have been blessed my entire life and have never had to experience what it is like to not put food on the table for my family. Ever since I entered the culinary field I have been much more aware of issues that result in families not having enough food. I love using my talents as a chef to help Valley Outreach continue being there for all who need it. It always brings a smile to my face and now a days we need all of the smiles we can get."*
